Daniel Rowe

PROFESSIONAL SUMMARY

Content creator and marketer with experience delivering results through content across social, email, PR, websites, and video. I serve real business goals with creative ideas and clear, engaging campaigns. Alongside creativity and content production, I bring strong technical ability and confident use of modern marketing platforms, IT software, and AI tools.

WORK HISTORY

Digital Content Growth Technology 05/2026 - current

- Led business growth marketing across B2C and B2B, setting strategy and implementing marketing channels and content for both.
- Built a new website for Spidermite Control, one of the company's brands, and now lead the build of their main site.
- Ran social media from planning through to publishing, and shot and edited video in house.
- Handled graphic design for print and digital across the company.

Internal Content Manager Purplex Marketing 09/2024 - 05/2026

- **Promoted to managerial role within 13 months**, from Content Writer to Internal Content Manager - bypassing standard progression routes, to work directly within The Ascot Group. Contributed to content direction, business strategy, and campaign planning across Purplex Marketing, Insight Data, and personal brands of senior leadership.
- Created content across video scripts, blogs, long-form articles, web pages, press releases, thought-leadership columns, and email campaigns - supporting PR, SEO, and social media for clients across construction, fenestration, and manufacturing.
- Contributed to national award-winning campaigns, including Fabricator of the Year.
- Planned and wrote targeted email campaigns with defined sales funnels, balancing educational content and CTAs to drive engagement and lead generation.

Head of Media Bridgwater United 07/2025 - current

- Rebuilt the club's media output across all platforms, bringing social media up to a professional standard and significantly increasing engagement
- Planned and delivered consistent content across match days and throughout the week to improve visibility and fan connection
- Produced video highlight packages, match day graphics, match reports, interviews, and training montages
- Worked closely with the club owner and senior leadership on brand direction, tone of voice, and identity

Assistant Head of Media Taunton Town F.C. 07/2023 - 07/2025

- Began as a live matchday reporter, providing real-time social media updates.
- Progressed to assistant head and lead videographer, filming matches with multi-camera setups and editing dynamic highlight packages for YouTube and social media.
- Contributed to the club's digital strategy, helping create engaging and viral content.
- Applied a broad skillset across writing, social media management, video production, and technical filming.
